Assignment 1

Girish Madnani- 934130

Assumptions

- 1) There can be multiple artists or makers. I am assuming that it can be a collaboration which is different from a company
- 2) Some painting can have anonymous makers even though some information might not be giving about the paintings
- 3) The previous owners also had the paintings for a specific amount of time
- 4) Bridgman keeps different folders for approved contracts, cancelled contracts and ongoing contract
- 5) Once the contract has been approved, they will get the art within a week
- 6) Account managers also get bonuses when they sell a piece of art in the first go
- 7) When a contract is cancelled the price becomes higher than the previous contracts
